

## About Us

### WHY BANGMA LEGAL SOLUTIONS FOR YOUR COMPANY?

- In most cases, 24 hour turn around time
- Accurate, efficient, and professional
  - Extremely Reasonable rates
  - Clients First Attitude

Bangma Legal Solutions mission is to exceed our client's expectation by providing fast, effective and accurate deliveries of legal documents within a timely manner. BLS promises that it will do what is necessary to compete for our client's business!

Owner and Operator, Damon Bangma received a diploma in Police Foundations in 2005 from Algonquin College.

He then graduated from Carleton University receiving a degree in Bachelor of Arts with specialization in Law.

Having a successful track record in business and the want to utilize his education, the opportunity presented it self in 2009 with the realization that there was a high demand for lower pricing, immediate successful serving, efficient and accurate delivery of legal documents.

Bangma Legal Solutions (BLS) ensures reliability due to its unique system which strives to meet and adapt to our clients needs and wants.

Unlike other competing companies, BLS focuses solely on process serving and the legal documents that follow. This allows BLS to be effective and efficient in mastering this mandatory part of the legal system.
